

## Curriculum vitae

Andre Soares Haidar

I am newly graduated - 2015 - in Architecture and Urbanism from Mackenzie Presbyterian University - São Paulo / Brazil

Between 2013 and 2014 studied architecture at the University of Lisbon, as part of an exchange program, residing in Lisbon.

During my course I have interned at two architecture firms, namely:

-Tikkanen Architects Associates - Architecture and interior office producing interior design projects, residential construction detailing and 3D images.

-Pauliceia Architecture and Restoration - conducting various surveys and intervention projects in existing buildings.
