

## Curriculum vitae

Vera Mariz, an art historian born in 1987, is currently assisting World Monuments Fund in the conservation project for the Santa Maria de Belém church. In 2015 she submitted her PhD thesis to Faculdade de Letras - UL and is waiting for the oral defence. This thesis project was awarded with a grant from Fundação para a Ciência e a Tecnologia (2011-2015). In 2011 she completed her Master at the University of Lisboa with the classification of 20/20. Her work concentrates mostly in the history of historic monuments conservation and restoration within Portugal and former overseas colonies.
