SHORT CURRICULAR NOTE

Anita **MONDOK** is a senior lecturer at the John von Neumann University Business Administration Faculty, Tourism & Catering Department. Her teaching areas include hospitality and hotel management, health tourism and leisure management. She is continuously supporting students by leading thesis works, developing teaching materials and leading course units. From 2012 she had been the coordinator of English-taught programmes and the institutional international coordinator until the reorganization of the school in 2016. Her PhD studies were concluded in 2016 in Pannon University; she wrote her PhD thesis in the topic of tertiary tourism education in Hungary. Currently she is a student at economist teacher programme in the Budapest Economic University.
