

SHORT CV

Alicia **PÉREZ GARCÍA**. Architect. Co-founder of TerritoriAs. An interdisciplinary space built to generate situated knowledge and experiences that promote social transformation from a territorial perspective. PhD student at the University of Seville. Master's degree in Gender and Equal Opportunities from the Universidad Pablo de Olavide and postgraduate diploma in Conflict Resolution and Culture of Peace from the Escola de Cultura de Pau, Universidad Autònoma de Barcelona. My work focuses on training, research and facilitation of participatory processes, with an interdisciplinary, feminist and intersectional perspective, in different social organisations and academic institutions (the University of Seville and Pablo de Olavide University).
