

## SHORT CV

César **CANOVA** is a Brazilian Architect and Urban Designer - Graduated from PUCRS (Porto Alegre, RS, Brazil, 2013) – and Doctor in Architecture from the School of Architecture at the University of Lisbon (FA-ULisboa, Portugal, 2021). He is currently an associated researcher at both CIAUD (FA-ULisboa) – integrating the group LabiArq – and the Post-Graduate Program in Architecture and Urban Planning from the University of Paraíba (PPGAU-UFPB, João Pessoa, PB, Brazil) – being part of the research groups DIAPROj and LAURBE. He also works as a designer for the Marketing company \_causo and as a lecturer and a private tutor for researchers as @doutorarquiteto.
