

## SHORT CV

Irina **SEITS** is a project researcher at the Department of Aesthetics and the Center for Baltic and East European Studies (CBEES) at Södertörn University, Stockholm. She earned her PhD in Aesthetics from Södertörn University in 2018. Irina Seits has MA in Art History from St. Petersburg State University (2006) and the European University in St. Petersburg. She currently leads the project "HSUD – Heritage and Sustainable Urban development" at Södertörn University. Seits's research interests concern urban and theories of modernism, aesthetics of the everyday, and problems of industrial heritage preservation. She also focuses on the history of human-nature relations.
