

SHORT CV

Lucía del **MORAL-ESPÍN** is a Sociology lecturer at the University of Cadiz, where she teaches Social Policy and Research Methods. Her research is characterised by interdisciplinarity, and her interests deal with Childhood and Feminist Studies, Well-being, and the Commons. Between 2017 and 2021, she co-ordinated the RN 'Sociology of Children and Childhood' of the European Sociological Association. She is currently part of the Research Committee on Sociology of Children of the Spanish Federation of Sociology. She is the UCA coordinator of the Horizon 2020 project "Smooth Educational Spaces and Passing Through Enclosures and Inequalities. Opening community and knowledge up through educational commons".
