

SHORT CV

Luis Miguel **GINJA** was born in 1976 and has a degree in Architecture. For over 15 years, he worked in ateliers in Lisbon while coordinating his own works. He holds a Ph.D. in Design from Lisbon School of Architecture of Universidade de Lisboa and is an integrated researcher at CIAUD – Center for Research in Architecture, Urbanism and Design, coordinating its project and associating with other research projects. From 2017 to 2022, he taught the disciplines of Architecture and Project Laboratory in the Architecture course of the Lisbon School of Architecture as a visiting assistant. He has been a member of several scientific events organizing committees and a member of several executive committees as well.
