SHORT CV - Ljiljana CAVIC

Ljiljana Čavić is an auxiliary professor of Project Design at Faculdade de Arquitetura da Universidade de Lisboa (FAUL). She finished her doctoral thesis in 2018 at FAUL entitled UrbArch Emptiness – Lisbon Riverside within the specialty of Design Theory and Practice. She is a practicing architect and one of the authors of Solid and Convex Voids - an analytical and representational method intended for the investigation of unbuilt parts of urban-architectural spaces.
