## SHORT CV - Andreia GARCIA

Andreia Garcia (Guimarães, 1985) is an architect, curator and assistant professor in the fields of architecture and the city. Her PhD in Architecture from the Faculty of Architecture of the University of Lisbon (FAUL, 2015) was awarded the Professor Manuel Tainha Prize for the best PhD thesis in Architecture in 2014/2015 by FAUL, and was subsequently published in a book entitled "Scenic Space, Architecture and City" in 2016. Garcia is Assistant Professor at the University of Beira Interior (UBI), Vice Dean of the Faculty of Engineering at UBI and researcher at CIAUD.
