SHORT CV - Luis Miguel GINJA

Luis Miguel Ginja was born in 1976 and had a degree in Architecture. For more than 15 years, he worked in ateliers in Lisbon while coordinating his works. He holds a Ph.D. in Design from the Faculty of Architecture of the University of Lisbon and is a researcher at CIAUD – Center for Research in Architecture, Urbanism and Design, coordinating his project and associated with other research projects. Beyond the research activity, he also teaches the Architectural and Project Laboratory disciplines at the Architecture course in the Faculty of Architecture of Lisbon as a guest assistant.
