## SHORT CV - Isabel Duarte de ALMEIDA

Isabel Duarte de Almeida is an Assistant Professor with 25 years of experience in higher education, and she is the coordinator of Sustainable Development Research Lines. She teaches in ISCTE-IUL, Portugal, and at the Lusiada University and participates in academic activities abroad: Institute for Management (IfM), University of Cambridge; University of Palermo (UniPa), Sicily, Italy; Technische Hochschule Mittelhessen (THM) in Germany. Dr Isabel Almeida graduated from the Universidade de Lisboa with a 5-year degree and a PhD in Biology from the same university. She has a postgraduate degree in Sociology, a second PhD in Sociology and Sustainability Management from the Universidade Nova de Lisboa (UNL /FCSH, Portugal), and a postgraduate degree in Circular Economy from Berkeley University. Isabel has worked as a researcher at the Gulbenkian Institute of Science for 12 years. She has published indexed papers in Q1 and Q2 Scientific SCOPUS indexed publications, published many papers in peer-reviewed conference proceedings and is a reviewer for AoM and EurOMA conferences. She is also a reviewer for Springer's "Environment, Development and Sustainability" and the "Journal of Rural and Community Development". Her current research interests include Sustainable Development, Circular Economy, Corporate and Social Responsibility, Corporate Sustainability, and Green Supply Chain.
